PATIENT HISTORY QUESTIONNAIRE

Today's Date:_____

Dear Parents/Guardian:

Your child's vision develops along with such other functions as walking and talking and is affected by family history as well as by certain illnesses. Therefore, your thorough answers to this questionnaire will help in determining how your child's vision has developed as well as allowing us to use the office time for the complete optometric examination.

1. PERSONAL INFORMATION:

Child's Name: Last:_____ First:_____ MI:_____

Street Address: _____

City:_____ State:_____ Zip:_____

Home Phone No.:_____ Date of Birth:_____

Name of School:_____ Grade:_____
